Mint*

Refer to the separate standards for Mint.

Potatoes*

Refer to the separate standards for potatoes.

Trees*

Refer to the separate standards for Forest Reproductive Materials.

Ethiopian Cabbage*

Refer to the separate standards for Mustard

OECD*

All varieties listed in the OECD "List of Cultivars Eligible for Certification under the OECD Scheme" are eligible for OECD tags and if entered into the Oregon Certification Program, may be eligible for Oregon Certified tags.

Small Grains Identity Preservation*

Refer to the separate standards for Oregon Small Grains Identity Preservation Standards.

* Separate standards for these crops are maintained and available in the Seed Certification Office, or on the OSCS website in the STANDARDS section.
